

# Barry McGuire, Am I Seeing You

Am I seeing you  
Change before my very eyes  
Or am I dreaming  
And has love gotten into my eyes  
Love's got a hold on me today  
Love's got a hold ...

Am I feeling  
Your heart instead of mine  
Or are we one now  
And our hearts beat at the same time  
Love's got a hold on me today  
Love's got a hold on me

Love comes around the corner  
For everyone sometime  
But love calls out your name  
All the time

Am I seeing you
