

Barry McGuire, Doesn't That Bible Say

[Chorus:]

Doesn't that Bible say
We shall overcome
Doesn't that Bible say
We shall overcome
Doesn't that Bible say
We shall overcome
By the blood of the Lamb
By the power of the Lord
By the Spirit of God
We shall overcome
We shall overcome
We shall overcome

Like the Hebrew children in the fiery furnace
Daniel in the lions' den
What did they do when things got tough
They put their trust in Him

[Chorus]

Remember old Jonah
Down in the belly of a whale
Elijah's challengin' the prophets of Baal
Noah's in the ark
Without a sail
They knew that God would never fail

[Chorus]
