

Barry McGuire, Prince Song

I've got a brand new story
Tho' you've heard it a time or two
About a Prince who kissed a girl
Right out of the blue.
Hey, this story
Ain't no tale to me now
For the Prince of Peace
Has given me life somehow.
You know what I mean

My sleep is over
I've been touched by His fire
That burns from His eyes
And lifts me higher and higher
I'll live forever
With Him right by my side.
He's coming again
On a white horse He'll ride,
He'll clothe me and crown me
And He'll make me His bride.
You know what I mean

He's coming again
On a white horse He'll ride,
He'll clothe me and crown me
And He'll make me His bride.
You know what I mean
You know what I mean

Come, let us adore Him
Oh come let us adore Him
Oh come let us adore Him
Christ the Lord

Oh come let us adore Him
Oh come let us adore Him
Oh come let us adore Him
Christ the Lord

For He alone is worthy
For He alone is worthy
For He alone is worthy
Christ the Lord
