

Barry White, I'm gonna love you just a little more,

It feels so good
You lying here next to me
Oh, what a groove
You have no idea how it feels
My hands just wont keep still
I love you, baby
Oh, I love you, I love you, I love you
I just wanna hold you
Run my fingers through your hair
Ooh
Outta sight
Uh-huh, right there, you like it like that
Closer
Come here, closer, close
Oh, baby
Oh, baby
Give it up, aint no use
I can help myself if Id wanted to
Im hung up, no doubt
Im so in love with you, for me theres no way out
Cause deeper and deeper
In love with you Im falling
Sweeter and sweeter
Your tender words of love keeps calling
Eager and eager, yeah
To feel your lips upon my face
Please her and please her
Any time or any place
Im gonna love you, love you, love you just a little more, baby
Im gonna need you, need you, need you every day
Im gonna want you, want you, want you in every way
???Make no mistake??? for Ill hold back knowin
This time it looks like lover is here to stay
As long as I shall live
Ill give you all I have and all I have to give
Cause please her and please her
Any time or any place
Eager and eager
To feel your sweet lips on my face
Deeper and deeper
In love with you Im falling, yeah
Sweeter and sweeter
Your tender words of love keeps calling
Im gonna love you, love you, love you just a little more, baby
Im gonna need you, need you, need you every day
Im gonna want you, want you, want you in every way
