

Barry White, I?m Qualified To Satisfy You

It feels so good
You lying here next to me
Oh, what a groove
You
have no idea how it feels
My hands just wont keep still
I love you,
baby
Oh, I love you, I love you, I love you
I just wanna hold you
Run
my fingers through your hair
Ooh
Outta sight
Uh-huh, right there, you
like it like that
Closer
Come here, closer, close
Oh, baby
Oh,
baby
