

Barry White, I only want to be with you

I don't know what it is
That makes me love you so
I only know
I never want to let you go
'Cos you started something
Can't you see
That ever since we've met
You've had a hold on me
It happens to be true
I only wanna be with you
It doesn't matter
Where you go
Or what you do
I'd love to spend
Each moment of the day
With you
Look what has happened
Just one kiss
I never knew
That I that I could be in
Love like this
It's crazy but it's true
I only wanna be with you
You stopped
You smiled at me
And asked
If I'd care to dance
I fell
Into your open arms
I didn't stand a chance
Now listen honey
I just wanna be
Beside you everywhere
As long
As we're together
Honey
I don't care
'Cos you started something
Now can't you see
That ever since we've met
You've had a hold on me
No matter what you do
I only wanna be with you
