

Barry White, Never Gonna Give You Up

Uh...

Oh, baby

Oh, baby (Keep on)

Come on, baby (Keep on doin it, right on)

Mmm, mmm, mmm (Right on doin it)

You got it together (Baby, keep on)

Oh, you got it together, baby (Right on, keep on doin it)

Not yet, baby, oh, not yet

Mmm, mmm (My-my baby, keep on)

I swear you got it together, baby (Keep on, keep on)

Whatever, whatever

Girl, Ill do

Forever and ever, yeah, yeah, yeah, yeah

Ill see you through

Ive got to keep you pleased

In every way I can

Gonna give you all of me

As much as you can stand

Make love to you right now

Thats all I want to do

I know you need it, girl

And you know I need it, too

Cause I found

What the world is searching for

Here, right here, my dear

I dont have to look no more

And, oh, my babe

I hoped and I prayed

For someone just like you

To make me feel the way you do

Never, never gonna give you up

Im never, ever gonna stop

Not the way I feel about you

Girl, I just cant live without you

Im never, ever gonna quit

Cause quittin just aint my stick

Im gonna stay right here with you

Do all the things you want me to

Whatever you want

Girl, you got

And whatever you need

I dont want to see you without it

Youve given me much more

Than words could ever say

And oh, my dear, Ill be right here

Until my dyin day

I dont know just how to say

All the things I feel

I just know that I love you so

And it gives me such a thrill

Cause I found

What this world is searching for

Here, right here, my dear

I dont have to look no more

And all of my days
I hoped and I prayed
For someone just like you
To make me feel the way you do

Im never, never gonna give you up
Im never, ever gonna stop
Stop the way I feel about you
Girl, I just cant live without you

Im never, ever gonna quit
Cause quittin just aint my stick
Im gonna stay right here with you
Do all the things you want me to

Oh, Im never gonna give you up
Im never, ever gonna stop
All the things I feel about you
Girl, I just cant live without you

Im never, ever gonna quit
Cause quittin just aint my stick
Im gonna stay right here with you
Do all the things you want me to
