

Bars And Melody, Addicted

I can smell your scent on my pillow
I can see you moving on what you waiting for
I've been staring at your eyes through the window
just let me love you right

I am an addict /2x
I am an addicted
I am an addict, I am an addict
I am an addicted
don't you go so far no
you know what I'm saying
don't you go do far no
baby, what you playing

I don't wanna die
but I am lonely
when iturn clod will you hold me
every time I call you ingnore me
whahat do I do no one told me
I love her she don't want mr
I need her she don't want me
watch me burn she can't trust me
if I turn cold baby, would you told me
I turn cold, you didn't hold me
I grew old, you didn't know me
take my home I am so damn lonely
hit my hard , my heart bleeds

I can smell your scent on my pillow
I can see you moving on what you waiting for
I've been staring at your eyes through the window
just let me love you right

I am an addict /2x
I am an addicted
I am an addict, I am an addict
I am an addicted
don't you go so far no
you know what I'm saying
don't you go do far no
baby, what you playing

stuck in this place
I've been stiuck in this place
there's no escape what's going on in my brain
ut's truly insane
stupidly causing all of thi spain
finding it hard to do whit the fame
I kno wfor you I hase been kinda lame
addicted to you and I cannot change

i can see you walk away
I just ish you learn to stay
I lay awake and now I praise
that the devil in my mind will raise awake
I am an addict /2x
I am an addicted
I am an addict, I am an addict
I am an addicted
wait what bow
I am your enemy
what's gotten into me
think I need therapy
flashbacks been killing me

my brain in hospitality
anxiety drilling me
I can let you in my

I can smell your scent on my pillow
I can see you moving on what you waiting for
I've been staring at your eyes through the window
just let me love you right

I am an addict /2x
I am an addicted
I am an addict, I am an addict
I am an addicted
don't you go so far no
you know what I'm saying
don't you go do far no
baby, what you playing
