

# Basement Jaxx, Broken Dreams

I'll tell you how my day has been  
How the sun has caught my face  
How I lull myself to sleep  
Waving shadows on my face

Chasing dreams that just passed by  
Broken dreams, I'm just too late  
Chasing dreams that just passed by  
Broken dreams, I'm just too late

Chasing dreams, chasing dreams, chasing dreams  
Chasing..... chasing broken dreams  
Chasing dreams, chasing dreams, chasing dreams  
Chasing..... ( oh oh ) chasing broken dreams

If only you could keep me warm  
If only you could keep me from harm  
If only you could.....

Chasing dreams that just passed by  
Broken dreams, I'm just too late  
Chasing dreams that just passed by  
Broken dreams, I'm just too late

Chasing dreams, chasing dreams, chasing dreams  
Chasing.....chasing broken dreams  
Chasing dreams, chasing dreams, chasing dreams  
Chasing..... ( oh oh ) chasing broken dreams

Broken dreams
