

Basement Jaxx, Broken Dreams

I'll tell you how my day has been
How the sun has caught my face
How I lull myself to sleep
Waving shadows on my face

Chasing dreams that just passed by
Broken dreams, I'm just too late
Chasing dreams that just passed by
Broken dreams, I'm just too late

Chasing dreams, chasing dreams, chasing dreams
Chasing..... chasing broken dreams
Chasing dreams, chasing dreams, chasing dreams
Chasing..... (oh oh) chasing broken dreams

If only you could keep me warm
If only you could keep me from harm
If only you could.....

Chasing dreams that just passed by
Broken dreams, I'm just too late
Chasing dreams that just passed by
Broken dreams, I'm just too late

Chasing dreams, chasing dreams, chasing dreams
Chasing.....chasing broken dreams
Chasing dreams, chasing dreams, chasing dreams
Chasing..... (oh oh) chasing broken dreams

Broken dreams
