

# Basement Jaxx, Gemilude

For all it's worth,  
I've been jackin' in the basement from birth,  
Never really knew it,  
Until I started walking to earth,  
While feelings inside me,  
Got me here rhyming,  
Escape to my hotel room doing time there,  
I'm thankful for that,  
I'm in the studio with Basement Jaxx,  
(Yeah, funky!)  
Woah, woah, woah, woah,  
Gemini? That's right,  
Gemini...  
Gemini?  
Gemini...  
Yeah...
