

Basement Jaxx, I want you

I don't know if I can give you anything to make you feel right
I can but try 'cos I can't stand the madness in my head
the whole night through

I've been thinking, I've been sinking
lost on Mars, got no paddle
not a super-catch, ain't no model
hardly seem to count, I'm just an ordinary bod
down di di...

I want u and everything you say just makes me want
u and every single day I just want
u in every single way and I just want
u and I'm just lost

I don't know if I can give you anything to make you feel right
I can but try 'cos I can't stand the madness in my head
the whole night through

I've been thinking, I've been sinking
lost on Mars, got no paddle
not a super-catch, ain't no model
hardly seem to count, I'm just an ordinary bod

I want u and everything you say just makes me want
