Basement Jaxx, I want you

I don't know if I can give you anything to make you feel right I can but try 'cos I can't stand the madness in my head the whole night through I've been thinking, I've been sinking lost on Mars, got no paddle not a super-catch, ain't no model hardly seem to count, I'm just an ordinary bod down di di... I want u and everything you say just makes me want u and every single day I just want u in every single way and I just want u and I'm just lost I don't know if I can give you anything to make you feel right I can but try 'cos I can't stand the madness in my head the whole night through I've been thinking, I've been sinking lost on Mars, got no paddle not a super-catch, ain't no model hardly seem to count, I'm just an ordinary bod down di di... I want u and everything you say just makes me want u and every single day I just want u in every single way and I just want u and I'm just lost
