

# Basic Desire, Streams of fear

(A teraz podamy panstwu prawdziwe wyniki totolotka)

Streams of your tears

Flows with your fears

World will explode

Plunge into war

Streams of your fears

Flow with your tears

Try and you'll find

What's in your mind

Walls hold your screams

Fear in your dreams

Why don't you fight

Race through the night

World will explode

Aaaahh....

(Jozef, do domu bo sie &#322;ysko)
