

Bass Astral x Igo, Feeling Exactly

how do you know
that's the feeling
that you feel exactly
how do you know
that's the feeling
that you feel exactly
how do you know
that's the feeling
that you feel exactly
how do you know
that's the feeling
that you feel exactly

you're in the sky like an airplane
you hope that maybe someday you will learn
someone close to me
so I can value all the things I do
or not doing
for us, baby

I don't remember why we're hanging
all around our hometown
but I feel
I can feel it
I can feel your heart beating
when you hold my hand
I am the tallest man walks on the Earth
and I am fallin' for you
I like how you share your smile all around

how do you know
that's the feeling
that you feel exactly
how do you know
that's the feeling
that you feel exactly
how do you know
that's the feeling
that you feel exactly
how do you know
that's the feeling
that you feel exactly

sorry to say, that I bother you
I hope that maybe someday you will have a little time for me
that I could tell you all the things
that I do or being doing
for us, baby, somehow
I don't remember when you've been talking
very loud to the other guy
but I feel
I can feel it
I can feel your heart beating
just quick the game
and promise that you gonna be my star
on our secret sky
I swear that you really gonna shine
like no one else did

how do you know
that's the feeling
that you feel exactly
how do you know
that's the feeling

that you feel exactly
how do you know
that's the feeling
that you feel exactly
how do you know
that's the feeling
that you feel exactly
