

# Bass Fun feat. Mikelo, Neverending Dream

pretty baby  
show me what you got to me  
air is hot oh can't you see

pretty baby  
yes it's desire what I feel  
when you're close I can't stand still

My heart goes into spin  
right up to extreme  
you're my crazy love  
you're my dream  
My heart goes into spin  
right up to extreme  
you're my never ending dream

pretty baby  
yes it's you what turns me on  
all my shame is to be gone

pretty baby  
you make my world begin to sway  
baby how I love your way

light your beam  
make me sin  
you're my perfect dream
