

Basshunter, Camilla 2

I gave you a part of me
When live was free
The love was inside of us
But I let it be
Now I see what a fool I've been
And I feel what it means
To send you away like that
And never hold you again
You're in my eyes
In my head
In my soul I feel you there
Oh Camilla
Light this world again
Wo-oh
All my nights
Everyday
I've been calling out your name
Oh Camilla
Life got right again
Life got right again
I gave you a part of me
When live was free
The love was inside of us
But I let it be
Now I see what a fool I've been
And I feel what it means
To send you away like that
And never hold you again
You're in my eyes
In my head
In my soul I feel you there
Oh Camilla
Light this world again
Wo-oh
All my nights
Everyday
I've been calling out your name
Oh Camilla
Life got right again
Life got right again
