

Basshunter, Day & Night

I Dont Know
How I Could Live Without You
But You Changed
Everything That I Knew
As Time Went On
All The Bad Feelings Were Gone
They Say When Your In Love
You Know

[Chorus]

Every Day, Every Night
Your In My Mind
I Can't Deny
I Close My Eyes To Think Of You My Love
You Make Me Feel Alive X2

I Dont Know
How I Could Live Without You
But You Changed
Everything That I Knew
As Time Went On
All The Bad Feelings Were Gone
They Say When Your In Love
You Know
