

# Basshunter, Don't Walk Away

I remember the days..  
U r my life  
I remember the days...  
Im sorry for everything  
I remember the days when I had no hope,  
I remember the mornings when I didnt get up  
Theres so Many things that I would like to do  
you are my life  
But should I leave you  
I try to do what I been told.  
but I took too much of what I can hold  
Baby let me explain  
I want you to stay  
Im sorry for everything  
please dont walk away..  
I want to hold you  
I want to touch your skin  
Hearing you Breath  
those simple things are carry me on  
Now I know why youre leaving  
Open my door tonight  
give me some time to set things right  
dont leave me tonight...  
I remember the days when I had no hope,  
I remember the mornings when I didnt get up.  
Theres so Many things that I would like to do  
you are my life..  
But should I leave you  
I try to do what I been told  
but I took too much of what I can hold  
Baby let me explain I want you to stay  
Im sorry for everything  
please dont walk away..  
dont walk away...  
dont walk away...
