

# Basshunter, Love You More

You can make the sea turn purple  
You can make the seeds unfertile  
But you know you can never make me love you more  
You can turn wine into water  
Turn sadness into laughter  
But you know you can never make me love you more

Let the stars fall down, let the leaves turn brown  
So you know you can never make me love you more  
Let the redwoods die, let the wells run dry  
So you know you can never make me love you more

Everybody in the house come on

You can make the sea turn purple  
You can make the seeds unfertile  
But you know you can never make me love you more  
You can turn wine into water  
Turn sadness into laughter  
But you know you can never make me love you more

Let the stars fall down, let the leaves turn brown  
So you know you can never make me love you more  
Let the redwoods die, let the wells run dry  
So you know you can never make me love you more

Let the stars fall down, let the leaves turn brown  
So you know you can never make me love you more  
Let the redwoods die, let the wells run dry  
So you know you can never make me love you more
