

Bastiaan Ragas, Only You

Sometimes when I think of your name
And it's only a game
Then I need you
Listen to the words that you say
Getting harder to stay
When I see you

:Refrain
Cause all I needed was the love you gave
All I needed for another day
And all I ever knew
Only you

This is gonna take a long time
And I wonder what's why
I can't take no more
Wonder if you know this thing
It's just the touch of your hand
Behind a closed door

:Refrain
Cause all I needed was the love you gave
All I needed for another day
And all I ever knew
Only you

Looking from a window above
I hear a story of love
Can you hear me
Came back only yesterday
Moving farther away
Want you near me
