## Bastiaan Ragas, Only You

Sometimes when I think of your name And it's only a game Then I need you Listen to the words that you say Getting harder to stay When I see you

:Refrain
Cause all I needed was the love you gave
All I needed for another day
And all I ever knew
Only you

This is gonna take a long time And I wonder what's why I can't take no more Wonder if you know this thing It's just the touch of your hand Behind a closed door

:Refrain
Cause all I needed was the love you gave
All I needed for another day
And all I ever knew
Only you

Looking from a window above I hear a story of love Can you hear me Came back only yesterday Moving farther away Want you near me
