

Bastille, Laura Palmer

Walking out into the dark
Cutting out a different path
Lead by your beating heart

All the people of the town
Cast their eyes right to the ground
In matters of the heart

The night was all you had
You ran into the night from all you had
Found yourself a path upon the ground
You ran into the night you can't be found
But...

This is your heart, can you feel it?
Pumps through your veins, can you feel it?

Summer evening breezed blew
Drawing voiced deep from you
Lead by your beating heart

What a year and what a night
What terrifying final sights
Put out your beating heart

The night was all you had
You ran into the night from all you had
Found yourself a path upon the ground
You ran into the night you can't be found
But...

This is your heart, can you feel it?
Pumps through your veins, can you feel it?

If you had your gun would you shoot it at the sky, why?
To see where your bullet would fall, will you come down at all?

This is your racing heart, can you feel it?
