

# Basto, Hold You

I just want to hold you  
When the music starts to play  
All my fears just fade away  
Cause when you hold me  
Seems the night is gone  
I just wanna hold you  
Boy you take away the pain  
You let the sun shine through the rain  
Cause when you hold me  
Feels like we are one

When the music starts to play  
I just want to hold you  
When the music starts to play

I just want to hold you  
When the music starts to play  
All my fears just fade away  
Cause when you hold me  
Seems the night is gone  
I just wanna hold you  
Boy you take away the pain  
You let the sun shine through the rain  
Cause when you hold me  
Feels like we are one

When the music starts to play  
I just want to hold you  
When the music starts to play  
I just want to hold you  
When the music starts to play
