

Bat For Lashes, Siren Song

Are you my family
Can I stay with you a while
Can i stop off in your bed tonight
I could make you smile
In the morning Ill make you breakfast
In the evening Ill warm the bed
And Ill always be happy to kiss you
Promise Ill never get sad
Till the siren come calling, calling
It's driving me evil, evil
I was a heart breaker, I loved you
The same way I do
But I've got so much wickedness and sin
My name is pearl
And Ill love you the best way I know how
My blonde curls slice through your heart
And the siren come calling
In the night, till the light
Help you dress yourself up fancy
Bathe you when you get sore
I'll be good, I think I could
Be all you would want and more and more
Be proud when you dazzle the wondrous
Glitter your eyes for the town
Tell every last boy that you're my man
Try not to let you down
Till the siren come calling, calling
It's driving me evil, evil
I was a heart breaker, I loved you
The same way I do
I've got so much wickedness and sin
My name is pearl
And Ill love you the best way I know how
My blonde curls slice through your heart
And the stars are exploding in the night
It won't be long until you'll be mine
No it won't be long until you leave
It won't be long until ??
It won't be long to ??
Cause Im evil, 'cause I'm evil
