## Bat For Lashes, Siren Song

Are you my family Can I stay with you a while Can i stop off in your bed tonight I could make you smile In the morning III make you breakfast In the evening III warm the bed And III always be happy to kiss you Promise III never get sad Till the siren come calling, calling It's driving me evil, evil I was a heart breaker, I loved you The same way I do But I've got so much wickedness and sin My name is pearl And III love you the best way I know how My blonde curls slice through your heart And the siren come calling In the night, till the light Help you dress yourself up fancy Bathe you when you get sore I'll be good, I think I could Be all you would want and more and more Be proud when you dazzle the wondrous Glitter your eyes for the town Tell every last boy that you're my man Try not to let you down Till the siren come calling, calling It's driving me evil, evil I was a heart breaker, I loved you The same way I do I've got so much wickedness and sin My name is pearl And Ill love you the best way I know how My blonde curls slice through your heart And the stars are exploding in the night It won't be long until you'll be mine No it won't be long until you leave It won't be long until?? It won't be long to ?? Cause Im evil, 'cause I'm evil
