

# Bathory, Necromansy

Heil satanic majesty  
tonight we sacrifice  
We drink our own blood  
and blasphemy while  
the moon is our only light  
We whisper our sorcery  
the acid takes us high  
We sing the songs of Mayhem  
Wingless angel  
in soundless flight  
Our bodies completes the circle  
with blood we draw the signs of hell  
Chant the force of Pandemonium  
and recite the words of spell  
Necromancy  
I gather up the force of darkness  
to bring damnation lust and war  
Demand all heaven's virgins  
to bend before our horny lord  
Tonight nothing is too sacred  
we desecrate and live in sin  
Inhaling the stench of rotten flesh  
and of burning winds  
Descend from blackened skies  
on soundless magic wings  
To spread the words of Satan  
and live in eternal sin
