

# Bay City Rollers, LOVE ME LIKE I LOVE YOU

Do you love me like I love you  
Or is this good bye bye bye  
I should have known better than to fall in love with you  
Love with you  
Well I guess I'll spend my whole life loving you  
Loving you  
One kiss so warm and tender one kiss and I surrender  
My love to you forever more.

But do you love me like I love you baby  
Say you'll always love me  
Ooh like I love you  
And do you need me like I need you baby  
You know that I'll always be in love with you.

I should have known better than to give my heart away (heart away)  
Well I know true love will always have it's day  
Your love can last forever  
In love we'll be together  
Sharing our love forever more.

But do you love me like I love you baby .
