

# Bay City Rollers, You're A Woman

Baby it's good to see your face again  
It's been some time I've missed you so  
Those lonely years go by and look how much you've changed  
What's happened to the girl I used to know?  
Oh you're a woman  
and you know what love is for

You say you don't need me you're not a little girl anymore  
Oh you're a woman I can see it in your eyes  
So I'll turn and walk out thru' the door  
Can't stand to hear your woman lies no more.

You'll nevep know how many tears I cried  
Those lonely nights I'd lie and think of you  
I know that I was wrong  
and look how much I've changed  
What's happened to the girl that I once knew?  
Oh you're a woman  
and you know what love is for  
. . .
