

# Bayside, Downtime

Come down now  
Strut your stuff  
I worry about you  
It's ok  
If you don't care  
Now I'm down and I wish you were here

Wish you were here, wish you were

You need some, some downtime  
I'm sorry if you're so unhappy  
I'm dying without you  
Be happy cause you know I care

You're a queen  
Surpass the things I've seen  
I'm dying without you  
Call me sometime

Sorry that  
You failed  
To fuck up my life like you fucked up theirs  
I'm trying  
To tell you all of the things that I meant to that day

Meant to that day, wish I could

Cheer up my old friend  
I offer interest in you
