

# BBMak, Always Know Where You Are

It's good to see the sun  
And feel this place  
This place I never thought would feel like home

And I ran forever  
Far away and I  
I always thought I'd end up here alone

Somehow  
The world has changed and  
I've come home  
To give you back the things they took from you

And I feel you now  
I'm not alone I'll  
Always know where you are  
When I see myself I'll always  
Know where you are  
Where you are

And I found something  
That was always there  
Sometimes it's got to hurt before you feel

But now I'm strong and  
I won't kneel  
Except to thank who's watching over me

Somehow  
I feel so strong and I've begun  
To be the one I never thought I'd be

And I feel you now  
I'm not alone I'll  
Always know where you are  
When I see myself I'll  
Always know where you are  
Where you are

Now, it's all so clear and  
I believe  
That everything's been opened up to me  
And I feel you now  
I'm not alone  
I always know  
I always know where you are

When I see myself I'll  
Always know where you are  
When I feel the sun I'll  
Always know where you are  
When I see myself I'll  
Always know where you are  
Where you are
