

# BBMak, Back Here

Baby set me free  
From this misery  
I can't take it no more  
Since you ran away,  
Nothing's been the same  
Don't know what I'm livin for

Here I am, so alone  
And there's nothin' in this world I can do

Until you're back here baby  
Miss you, want you, need you so  
Until you're back here baby, yeah  
There's a feelin' inside,  
I want you to know  
You are the one and I can't let you go

So I told you lies,  
Even made you cry  
Baby I was so wrong.  
Girl I promise you,  
Now my love is true  
This is where my heart belongs

'Cause here I am, so alone  
And there's nothin' in this world I can do

Until you're back here baby  
Miss you, want you, need you so  
Until you're back here baby, yeah  
There's a feelin' inside,  
I want you to know  
You are the one and I can't let you go

And I wonder...  
Are you thinkin' of me?  
'Cause I'm thinkin' of you.

And I wonder...  
Are you ever comin' back in my life?

'Cause here I am, so alone  
And there's nothin' in this world I can do...

Until you're back here baby  
Miss you, want you, need you so  
Until you're back here baby yeah  
There's a feelin' inside,  
I want you to know  
You are the one and I can't...

Until you're back here baby  
(Until you're back here baby)  
Until you're back here baby  
(Until you're back here baby)  
Until you're back here baby  
(Until you're back here baby)

There's a feelin' inside,  
I want you to know  
You are the one and I can't...

Until you're back here baby

(Until you're back here baby)  
Until you're back here baby  
(Until you're back here baby)  
Until you're back here baby  
(Until you're back here baby)  
Until you're back here baby  
(Until you're back here baby)  
Until you're back here baby  
(Until you're back here baby)  
Until you're back here baby  
(fade out)
