

BBMak, Can't Say

I can't say why I love you, but I do yes I do
When I'm around you it, feels so good
And everything that I can do every wish I make for you
In the end it all came true and I

Chorus

I can't say why I love you, Can't say, Can't say but I do, I can't say why I love you
Can't say, can't say but I do, I can't say why I love you

Baby when I found you I just knew, I just knew that I
Couldn't live without you
Feel it too, do you feel it too
Everything you give to me feels as though it's meant to be
If you ever ask me how I feel

Chorus

Now i'm thinking of you when I can't explain the feeling
But I know that it's real when I hold you
When I saw you, you know, I knew
I knew I couldn't live without
Without you ever in my life
Everything you give to me feels as though it's meant to be
So if you ever asked me how I feel

Chorus (fades)
