

# BBMak, Ghost Of You And Me

What am I supposed to do  
With all these blues  
Haunting me everywhere  
No matter what I do

Watching the candle flicker out  
In the evening glow  
I can't let go  
When will the night be over

I didn't mean to fall in love with you  
And baby there's a name  
For what you put me through  
It isn't love, it's robbery  
I'm sleeping with the ghost of you and me

Seen a lot of broken hearts  
Go sailing by  
Phantom ships lost at sea  
And one of them is mine

Raising my glass  
I sing a toast to the midnight sky  
I wonder why  
The stars don't seem to guide me

I didn't mean to fall in love with you  
And baby there's a name  
For what you put me through  
It isn't love, it's robbery  
I'm sleeping with the ghost of you and me

The ghost of you and me  
When will it set me free  
I hear the voices call  
Following footsteps down the hall  
Trying to save what's left  
Of my heart and soul

Watching the candle flicker out  
In the evening glow  
I can't let go  
When will the night be over

I didn't mean to fall in love with you  
And baby there's a name  
For what you put me through  
It isn't love, it's robbery  
I'm sleeping with the ghost of you and me(4x)
