## BBMak, Ghost Of You And Me

What am I supposed to do With all these blues Haunting me everywhere No matter what I do

Watching the candle flicker out In the evening glow I can't let go When will the night be over

I didn't mean to fall in love with you And baby there's a name For what you put me through It isn't love, it's robbery I'm sleeping with the ghost of you and me

Seen a lot of broken hearts Go sailing by Phantom ships lost at sea And one of them is mine

Raising my glass I sing a toast to the midnight sky I wonder why The stars don't seem to guide me

I didn't mean to fall in love with you And baby there's a name For what you put me through It isn't love, it's robbery I'm sleeping with the ghost of you and me

The ghost of you and me
When will it set me free
I hear the voices call
Following footsteps down the hall
Trying to save what's left
Of my heart and soul

Watching the candle flicker out In the evening glow I can't let go When will the night be over

I didn't mean to fall in love with you And baby there's a name For what you put me through It isn't love, it's robbery I'm sleeping with the ghost of you and me(4x)
