BBMak, Love Is Unpredictable

How can I convince you that you're really not alone And I know exactly what you're going through Nothing is for certain, but there's one thing that I know Never underestimate what love can do

I want to show you Even though there are no guarantees Just let me hold you Love can do most anything If you just believe

It can take you to the highest high Make you sacrifice it all Love is unpredictable It can change your life forever Or it may never hear your call Love is unpredictable Na na na na na Love is unpredictable

We don't need to justify, we don't need to wait All will be revealed to us in time And if you intellectualize the meaning of this fate You may never know what we could find

Don't keep me waiting Don't you keep me hanging on the line I'm only saying You won't know what love can do, if you never try

It can take you to the highest high Make you sacrifice it all Love is unpredictable It can change your life forever Or it may never hear your call Love is unpredictable Na na na na na Love is unpredictable Na na na na na Love is unpredictable Na na na na na Love is unpredictable

Don't you wanna see which way this love will go It can take you to the highest high Love is unpredictable It can change your life forever Love is unpredictable

It can take you to the highest high Make you sacrifice it all Love is unpredictable It can change your life forever Or it may never hear your call Love is unpredictable Na na na na na Love is unpredictable Na na na na na Love is unpredictable Na na na na na Love is unpredictable
