

# BBMak, Out Of My Heart

I feel fine  
Now the rain has gone and the sun has come to shine  
Nothing can get me down today  
Head over heels  
Got my mind made up as I'm driving through the fields  
Nothing can get me down again

Catch me if you can  
I've gotta make a get away

As the sun goes down, waking up my dreams  
And in my mind you're with me once again  
Out of my heart, into your head  
And inside my heart there's a place for you  
And in my mind I'm with you once again  
Out of my heart, into your head

Chasing the sun  
Trying to get away  
From the rain that's gonna come  
Hope I make it all the way

I'm lost in a crowd  
Trying to find my way  
But the rain keeps falling down  
Doesn't matter anyway

Catch me if you can  
I've gotta make a getaway

As the sun goes down, waking up my dreams  
And in my mind you're with me once again  
Out of my heart, into your head  
And inside my heart there's a place for you  
And in my mind I'm with you once again  
Out of my heart, into your head

Take a look at the sky  
Feel the sunshine  
In your heart  
In your head  
In your own time

As the sun goes down, waking up my dreams  
And in my mind you're with me once again  
Out of my heart, into your head  
And inside my heart there's a place for you  
And in my mind I'm with you once again  
Out of my heart, into your head

Out of my heart, into your head  
Out of my heart, into your head
