

# BBMak, Out Of My Heart (into Your Head)

I feel fine, now the rain has gone  
And the sun has come to shine  
Nothing can get me down today  
Head over heels, got my mind made up  
As I'm driving through the fields  
Nothing can get me down again  
Catch me if you can?  
I've gotta make a getaway  
As the sun goes down, wakin' up my dreams  
And in my mind you're with me once again  
Out of my heart, into your head  
And inside my heart there's a place for you  
And in my mind I'm with you once again  
Out of my heart, into your head  
Chasing the sun, tryin' to get away  
From the rain that's gonna come  
Hope I make it all the way  
I'm lost in a crowd, tryin' to find my way  
But the rain keeps fallin' down  
Doesn't matter anyway

Catch me if you can?  
I've gotta make a getaway  
As the sun goes down, wakin' up my dreams  
And in my mind you're with me once again  
Out of my heart, into your head  
And inside my heart there's a place for you  
And in my mind I'm with you once again  
Out of my heart, into your head  
Take a look at the sky, feel the sunshine  
In your heart, in your head, in your own time  
As the sun goes down, wakin' up my dreams  
And in my mind you're with me once again  
Out of my heart, into your head  
And inside my heart there's a place for you  
And in my mind I'm with you once again  
Out of my heart, into your head  
Out of my heart, into your head  
Out of my heart, into your head
