

BBMak, Run Away

Close your eyes
And tell me what you see
The two of us
And nothing in between
And run away with me...

Say goodbye
To all the tears you cry
And all the pain
That you could never hide
And run away with me

I can make you believe
It's worth it
Don't be afraid, to be free
'cause no one's perfect
I'll always be there by your side

Someone said
Love is all you need
So take my hand
I'll show you what he means
Just run away with me

I can make you believe
It's worth it
Don't be afraid, to be free
'cause no one's perfect
I'll always be there by your side

(Ah...)
You've heard it all before
But there's nothing I want more
(Ah...),(Ah...)

I can make you believe
It's worth it
Don't be afraid, to be free
'cause no one's perfect
I'll always be there by your side

Yes I'll always be there by your side
Cause I'm here for you
Yes I'm here for you
