

BBMak, Still On Your Side

I'm still on your side

You found a place where you belong
New friends that can do no wrong
That's what you believe
But who is going to be there when you fall
To build up when you're feeling small
Give you love that you need
Who will, I will
When the whole world turns against you
Ain't no lie

Don't you know that I will stand up for you
No matter what you're going through
I'm still on your side
Any time, day or night
Don't care if it's wrong or right
I'm still on your side

You want to run you want to break free
What you want ain't what you need
Can't you see that I care
I know I'm hard on you sometimes
But when you are looking for the things you can't find
Don't you know who'll be there
Who will, I will
When it's more than you can handle
Ain't no lie

Don't you know that I will stand up for you
No matter what you're going through
I'm still on your side
Any time, day or night
Don't care if it's wrong or right
I'm still on your side

I'll be there, I'll be there, I'll be there
I'll be there when you need me
I won't let you go
There's nothing I won't do, I'll be there

Don't you know that I will stand up for you
No matter what you're going through
I'm still on your side
Any time, day or night
Don't care if it's wrong or right
I'm still on your side

I will be around when the others let you down
I'm still on your side
Anytime you need help and you can't find nobody else
I'm still on your side
