

BBMak, Sympathy

I dont want nothing
Cuz nothin's all you give
I dont need your touch
Cuz that would be too much, for me
I dont want your lies
Burning deep inside of me
Look into my eyes
I dont want your sympathy

Chorus:

I should have known that it was over
It was different than before
As the love was turning colder
You didnt need me anymore
Now nothin' lasts forever
Like I said before, I dont want your sympathy no more

I don't want my love
To be misunderstood
So I think i'm giving up
I could never give enough away, WHOA
I dont want your lies
Burning deep inside of me
Look into my eyes, I dont want your sympathy

Chorus:

I should have known that it was over
It was different than before
As the love was turning colder
You didnt need me anymore
Now nothin' lasts forever
Like I said before, I dont want your sympathy no more

I don't want your sympathy
I don't need you here with me
I don't want your sympathy
I can't take it anymore
Because I've heard it all before

Chorus:

I should have known that it was over
It was different than before
As the love was turning colder
You didn't need me anymore
Now nothin' lasts forever
Like I said before, I don't want your sympathy no more
