

# Be Free, Knowing

Which way to go?  
Lifes getting more surprising.  
Wholl ever know  
whats waiting beyond the horizon?  
Not home again,  
searching for new sensations.  
Is there a plan?  
Is there some perfect destination?  
So here I am,  
ready for what future brings.  
Watching myself  
in the mirror of my fears.

REF:

Knowing that youre there,  
knowing that youve always been,  
knowing your name well,  
I will be holding to you, holding to you...

Eternity

Im keeping in my pocket.  
Theres so much to see  
if I am humble and not cocky.  
Lost in a maze,  
not sure if I wanna leave it,  
Im so amazed  
that after all I am still breathing.  
Sometimes it seems  
that Im losing all this fight  
and that all my dreams  
and my hopes are out of sight.
