

# BE.MY, Angel's Romance

I broke an angels wings,  
And left her on the side of the road,  
She said: "Don't leave me here on the cold floor  
Where it's snow"

I don't, I don't, I don't, I don't  
Help the cheaters  
I won't I won't, I won't, I won't  
Bring back to life  
The memories of ours  
Angel's romance

My angel's trumpet died,  
Living me without nothing to do  
We used to share a cloud  
So I went there to find no one inside

I don't, I don't, I don't, I don't  
Help the cheaters  
I won't I won't, I won't, I won't  
Bring back to life  
The memories of ours  
Angel's romance

I'm stretched between love and hate  
I should have shot my arrow straight  
I don't know if I should leave or help  
I don't know if that's one more mistake

I don't, I don't, I don't, I don't  
Help the cheaters  
I won't I won't, I won't, I won't  
Bring back to life  
The memories of ours  
Angel's romance
