

Be Your Own Pet, Bunk Trunk Shunk

I am an independent mother fucker
And I'm here to take your money
I'm waking round and I'm here
To steal away your virginity

(x2)

Give me everything I'll break up your limbs and I'll
Put you in a truck and take you around the world
Think you're really cool cos of my lies
You all love yourself may say you're better than me
