

Be Your Own Pet, The Best Within

I went down to the sunshine state
Got a haircut and came back late
Things are going everywhere
Doing stuff but I don't care
Everyone here is so uptight
I just wanna stay out all night
So what if I killed my head?
I don't wanna go to bed!
I've got nothing left to learn
I've only got more time to burn
I'll drink your stuff and puke it up
Can't you tell I don't give a f**k
I don't wanna fight and shout
Go ahead and kick me out
You can't keep my TV
No, that set belongs to me
Everyone here is so uptight
I just wanna stay out all night
So what if I killed my head?
I don't wanna go to bed!
