Keepin' The Summer Alive
Goin' On
Oo oo oo ooo goin' on

When in the mornin'
I must arise
I look in the mirror
It couldn't be clearer
Somethin' is gone from my eyes

Goin on

I know what is missin'
'cause since you've been gone
My mind keeps on reelin' (mind keeps on reelin')
My heart keeps on feelin' (heart keeps on feelin')
Why is my love goin on (goin on)

Goin on
Goin on
Goin on

I love you
I miss you
Things won't be the same till i kiss you
I'm empty
Without you
My heart's full with my arms about you

Ooo ooo ooo ah ah ah

We're livin' apart
We couldn't quite make it (couldn't quite make it)
But still i can't shake it (but still i can't shake it)
Our love still lives on in my heart (in my heart)
