Here Comes The Night

My heart was breakin'

Till you started making me

Feel like a natural man

My mind was mess

Until you brought happiness

And that's not hard to understand

When i'm through workin'

Just fussin' and cussin'

I'll be there just as quick as i can

Here comes the night

Hold me squeeze me don't ever leave me

Tell me i'm doin' alright

Hold me squeeze me don't ever leave me

Tell me i'm doin' alright

Hold me love me ooooo

I know livin' is takin' and givin'

Baby i'm givin' you my best

One of these days you know

I'm gonna go crazy

In the middle of your caress

When the day goes down

Honey i'll be around

Why don't you wear your pretty red dress

Here comes the night

Hold me squeeze me don't ever leave me

Tell me i'm doin' alright

Hold me squeeze me don't ever leave me

Tell me i'm doin' alright

Hold me love me ooooo

Every mornin' our love is reborn

And it lives with me all day long

Things start changin'

Take as a little rearrangin'

But our love grows on and on

Stars who shine in love

Are making you mine to love

I've never felt a love so strong

Here comes the night

Hold me squeeze me don't ever leave me

Tell me i'm doin' alright

Hold me squeeze me don't ever leave me

Tell me i'm doin' alright

Hold me love me ooooo
