

# Beach Boys, I Went To Sleep

Beach Boys  
20 20  
I Went To Sleep  
Brian Wilson

I took a walk and sat down in a park  
The gardener walked out and the sprinklers went on  
They watered the lawn and I went to sleep

Ten thirty I turned my radio on  
Some group was playing a musical song  
It wasn't too long and I went to sleep

Again at the park on a nice summer day  
High up above me the trees gently sway  
A bird flew away and I went to sleep
