

Beach Boys, Kiss Me Baby

Beach Boys

Today

Kiss Me Baby

Please don't let me argue anymore

I won't make you worry like before

Can't remember what we fought about

Late late last night we said it was over

But i remember when we thought it out

We both had a broken heart

Woah baby

(kiss me baby)

Woah baby

(love to only)

Woah baby

(kiss me baby)

Woah baby

(love to only)

As i drove away i felt a tear

It hit me i was losing someone dear

Told my folks i would be alright

Tossed and i turned, my head was so heavy

Then i wondered as it got light

Were you still awake like me?

Woah baby

(kiss me baby)

Woah baby

(love to only)

Woah baby

(kiss me baby)

Woah baby

(love to only)

Time

Woah baby

(kiss me baby)

Woah baby

(love to only)

Woah baby

(kiss me baby)

Woah baby

(love to only)

Woah baby

(kiss me baby)

Woah baby

(love to only)
