For three years straight we toured the nation
When we get through we needed a vacation
We wanted to party and get a little rest
So we packed our things and headed out west
We got our surfboards took the beachball out
Jumped in a limosune ready to "wipeout";

Now were ready to go
Here we go here we go
One one two one two one two hit it d
Here we go

We got to california I said headed for the beach
There were girls galore all within our reach
There was sand and sun and lots of fun
But when we get there the fun really begun
So we cut on the box and started to shout
It was the beach boys rockin huh huh the "wipeout";

Oo oo
Ooo ooo
Oo
Oo
Oo oo

Wa-ah-ah-ah wawawa-oo-oo
Wa-ah-ah-ah wawawa-oo-oo
Thats it, that that thats it dit dit dit dit dit
Hit it d

The sun went down and the night began
We was rapping for the people cold chillin boppin
We was partying hard making lots of noise
When around the corner came the real beach boys
So we all jumped up and started to shout
"lets all sing the song called the wipeout";

Wipin out wipe out
